

Tiger Valuation Services, LLC and its affiliates are one of the nation's leading inventory appraisal and valuation firms. Professionals within the organization develop valuations for financial institutions to help prepare asset-based loans for retailers, distributors, and manufacturers.

Tiger Valuation's focus has been on the consumer and industrial markets. Consumer appraisals range from apparel, appliances, automotive, building materials, electronics, food and beverage, furniture, home goods, medical, pharmaceuticals, sporting goods, textiles, and toys. Industrial appraisals range from agriculture, chemicals, construction materials, engineered products, equipment, fasteners and hardware, forestry products, metals, packaging material, printing, pulp and paper and resins.

Tiger Valuation is currently seeking a **Financial Analyst** in our Boston, MA office.

Job Description:

The Financial Analyst is responsible for all data entry and quantitative analysis aspects of preparing the appraisal report. Financial analysts will interact with both the client and the transaction teams in order to meet specified deadlines.

A successful candidate should have the desire to advance to more senior levels, which could include higher profile transactions, and more significant travel.

Responsibilities:

- Request, receive, and review company inventory, sales, operating expense and other related data. Follow up on all open items with the subject company.
- Communicate open items and status of analysis internally, as well as with client bank and company.
- Review analysis to ensure quality standards and policies and provide recommendations to project leaders.
- Participate in client meetings/report deliveries as needed.
- Position requires approximately 10% to 15% travel.

Qualifications:

- Bachelors Degree in Accounting or Finance
- Above average PC skills (Excel); familiarity with MS Access
- Financial analysis experience (internships)
- Strong analytical and problem-solving skills
- Attention to detail
- Strong planning and organization skills
- Ability to work under time constraints
- Desire to work in a fast paced environment

Due to the high volume of resumes we receive, we will only be contacting qualified candidates for further consideration. NO phone calls please. Resumes should be sent to John Cronin at jcronin@tigercapitalgroup.com.
